Tulaskar College of Pharmacy, Hinganghat has organized Hospital Visit at “Sub District Hospital, Hinganghat” on 25th February 2025 for D. Pharm- I year students. Total 55 students along with faculty members had visited the hospital. Visit started at 12.30 pm. Students were divided in two groups and then visited to different department viz. OPD, Trauma centre, Casualty department, Central Pharmacy Store, Floor pharmacy, In-Patient Pharmacy, Pathology lab, operation theaters, various wards, etc. A detailed explanation regarding each department was given during the visit.

The visit provided an excellent opportunity to observe and learn about the vital role of hospital pharmacists in medication management and patient care. It offer practical experience in a real healthcare environment, bridging the gap between theoretical knowledge and actual pharmacy practices.

During the visit, the hospital pharmacy team conducted a comprehensive tour of the pharmacy, which included the medication storage, dispensing area, and patient counseling space. This allowed the students to learn how medications are distributed, including the unit dose and ward stock systems, and how these processes ensure patient safety.

Additionally, they gained insights into how pharmacy teams manage inventory to maintain an adequate supply of medications while minimizing wastage. The students interacted with the pharmacy staff, learning about daily challenges such as medication shortages, workload management, and ensuring patient adherence to prescribed treatments.

Visit was organized successfully by Mr. Pradeep S. Raghatate (HOD-Diploma), Mr. Pranay Burle, Ms. Anju Tanna & Mr. Parag Bhaimare under the guidance of Principal Dr. Mahendra C. Gunde. College extends heartfelt thanks to the Hospital administration & hospital pharmacy staff for their support and co-operation.
