Parents Meet Report

Date of Parents Meet: 12th April, 2025

Time: 11.00 pm to 01.00 pm

An important event in the academic calendar was organized at Tulskar College of Pharmacy, run by Vidya Vikas Shikshan Sanstha, Hinganghat. The objective of the event was to bridge the gap between the parents of the college and the first year pharmacy students, to have an open dialogue on the progress of the students, academic policies and overall development.

The event began with Saraswati Pujan and lighting of the lamp symbolizing the light of knowledge. Mr. Jagdish Chandankhede, representing the parents, led this auspicious ritual to start the gathering.

The Principal of the college, Dr. Mahendra Gunde, warmly welcomed the parents and acknowledged their essential role in the educational journey of their children. He gave insightful guidance on the educational philosophy of the college, highlighted the importance of collaboration between parents and teachers in the intellectual and personal development of the students. He emphasized on the commitment of the college to create a conducive environment conducive to education and character building. Academic In-charge Prof. Rakesh Joshi presented an overview of the academic programme for the upcoming year, outlining the major initiatives and academic objectives.

Thereafter, Prof. Pradeep Raghatate presented a comprehensive report on the progress of the students, highlighting their achievements and areas for improvement. The detailed progress report serves as a valuable tool for parents to gain insight into their children's academic performance and overall development.

The meeting serves as a platform for parents to actively interact with the college faculty, express their concerns, provide feedback and seek clarification on various academic matters. The parents appreciated the efforts made by the college to ensure the welfare and academic success of their children. They expressed their faith in the college's educational vision and assured their continued support.
