One Day State Level Workshop

Date : 20th September, 2025

Time : 11.00 pm to 04.30 pm

Vidya Vikas Shikshan Sanstha, Hinganghat, **Tulskar College of Pharmacy** in collaboration with Matoshree Ashatai Kunavar Mahila Mahavidyal and Varsa - Ethnic Knowledge Heritage Society, Anjangaon Surji, Amravati, successfully organized a **One Day State Level Workshop** on 'Ethnobotany in Practice: Identification, Cultivation and Utilization of Medicinal Plants' on **20th September 2025** on the occasion of the **5th Pharmacovigilance Week**.

The workshop was organized in the Seminar Hall to bring together research scholars and academicians in the field of ethnobotany to share and discuss various concepts related to the identification, cultivation and utilization of medicinal plants. The workshop also provided a platform for exchange of ideas among the participants. The workshop included keynote speeches, expert talks and hands-on training by leading experts which provided valuable opportunities for the attendees to enhance their knowledge and stay updated with the latest trends in ethnobotany development.

The inaugural ceremony began in the honorable presence of Dr. Umesh Tulskar, President of Vidya Vikas Shikshan Sanstha, Hinganghat; Chief Guest Dr. Prabha Bhogaonkar, President Warsa and Former Director GIVISH, Amravati, Dr. Mangesh Dagwal, Secretary, Warsa, Dr. Vijay Manvatkar were present. The objectives of the workshop were explained by Principal Dr. Mahendra Gunde in the introduction. Chief Guest Dr. Prabha Bhogaonkar delivered a keynote speech on the topic of Ethnobotany Awareness in which he discussed the scope of Ethnobotany in daily life.

Dr. Mangesh Dagwal delivered a talk on 'Standards for Good Cultivation and Collection: Key to Quality Herbal Medicines', in which he discussed the basic concepts involved in the cultivation of medicinal plants. He stressed that it is not the quantity of raw material that matters but its quality. Dr. Yungadhara Rajgure delivered an expert talk on 'Medicinal Potential of Wild Edibles', in which he discussed various wild plants used by people for various ailments.

In the actual afternoon session, Dr. Umesh Kanerkar and Dr. Vinod Chavhan conducted a training on 'Medicinal Plant Identification' in which they demonstrated plant identification using basic to advanced techniques to the participants, followed by a closing ceremony in which Dr. Kishore Chandra Revatkar,
