Hospital Visit Report

Institution: Tulaskar College of Pharmacy, Hinganghat

Programme: Diploma in Pharmacy (D. Pharm)

Venue: Sub-District Hospital, Hinganghat

Date: 22 January 2026

Time: 12:30 PM

As a part of the MSBTE curriculum (Educational Tour), the **D. Pharm students of Tulaskar College of Pharmacy, Hinganghat** visited the **Sub-District Hospital, Hinganghat** to gain practical exposure to hospital pharmacy services and healthcare delivery systems. The visit was organized with the objective of bridging the gap between theoretical knowledge and real-world hospital practices. It provided students with valuable insights into the functioning of hospital pharmacies and the vital role pharmacists play in patient care.

During the visit, **Dr. Mahendra C. Gunde, Principal, Tulaskar College of Pharmacy**, addressed the students and emphasized the importance of hospital-based training. He highlighted professional ethics, responsibility, and the crucial role of pharmacists in ensuring safe, effective, and rational use of medicines in clinical settings.

The educational tour was conducted under the guidance and presence of **Dr. Umesh B. Telrandhe, Prof. Pradeep Raghatate (HOD, D.Pharm Course), Prof. Pranay Burle, and Prof. Sukanya Kharbade**, along with **Ms. Chaitali Dakhore** and **Mr. Harshal Satone**, who actively participated and supported the students throughout the visit. The hospital authorities extended full cooperation for the successful conduct of the program.

Mr. Sagar Rathod, Clinical Pharmacist, guided the students and provided detailed information about the **medicine distribution unit, hospital pharmacy operations**, and various hospital departments. His guidance helped students understand real-time pharmaceutical practices and the workflow of a clinical pharmacy setup.

The visit proved to be highly informative and beneficial, significantly enhancing students' understanding of hospital pharmacy services. It also strengthened their professional competence and preparedness as future pharmacists by exposing them to practical aspects of healthcare delivery.
