REPORT ON VAN MAHOTSAV CELEBRATION 2026

Event: Van Mahotsav Programme 2026

Date: 06 July 2026 (Monday)

Time: 11:00 AM

Venue: College Campus and its Surrounding Remote Areas

The NSS Unit of Tulaskar College of Pharmacy, Hinganghat, celebrated **Van Mahotsava** with great enthusiasm on **6th July 2026** by organizing a tree plantation drive in the college campus and its surrounding remote areas. The programme aimed to promote environmental conservation, biodiversity, and awareness about the importance of medicinal plants among students.

As part of the plantation drive, students, NSS volunteers, and faculty members planted a wide variety of tree and medicinal plant saplings, including **Mango, Neem, Palash, Cinnamon, Vasaka, Long Pepper, Nirgundi, Indian Bay Leaf, Shatavari, Insulin Plant, Cardamom, Amaltas, and Khanduchakka**. The initiative reflected the institution's commitment to environmental sustainability and the conservation of valuable medicinal plant resources. The students participated with great enthusiasm, dedication, and a strong sense of social responsibility. Their active involvement made the programme highly successful and reinforced the importance of protecting the environment through collective action.

On this occasion, **Dr. Umesh P. Tulaskar**, President of Vidya Vikas Shikshan Sanstha, motivated the students to become responsible guardians of nature. He emphasized that every tree planted today is an investment in a healthier and greener future and reminded pharmacy students of their special responsibility to conserve medicinal plants, which serve as the foundation of many life-saving medicines.

Dr. Nayana U. Tulaskar, Secretary of Vidya Vikas Shikshan Sanstha and President of the Hinganghat Municipal Council, appreciated the initiative and encouraged students to nurture the planted saplings throughout their growth. She highlighted that plantation drives not only improve the environment but also cultivate environmental values and civic responsibility among young people.

Addressing the gathering, **Dr. Mahendra C. Gunde**, Principal of Tulaskar College of Pharmacy, explained the significance of Van Mahotsava and stressed the vital role of educational institutions in promoting sustainable environmental practices. He stated that the plantation of medicinal plants is particularly meaningful for pharmacy students as it connects them with India's rich medicinal heritage while fostering scientific knowledge and environmental stewardship.

The programme was graced by the presence of **Dr. Umesh B. Telrandhe, Prof. Pradeep Raghatate, Prof. Pranay D. Burle (NSS Co-ordinator), Prof. Suraj D. Thakare**, along with all teaching and non-teaching staff members, who actively participated in the plantation drive and encouraged the students throughout the event.

The programme concluded with a pledge by all participants to protect and nurture the planted saplings and to continue contributing towards a greener, healthier, and more sustainable environment. The Van Mahotsava celebration served as an inspiring initiative that strengthened environmental awareness, promoted the conservation of medicinal plants, and encouraged students to become responsible citizens committed to ecological preservation.
