REPORT ON EXPERT LECTURE ON MEDICAL BILLING

Tulaskar College of Pharmacy, Hinganghat, Dist. Wardha organized an **Expert Lecture on "Medical Billing"** on **Monday, 20th July 2026 at 11:00 AM** in the **Seminar Hall** with the objective of enhancing students' knowledge of the medical billing process, healthcare revenue cycle management, and career opportunities in the healthcare industry. The programme was attended by D. Pharm IInd students, faculty members, and staff.

The programme commenced with a warm welcome by **Mr. Pranay D. Burle, Assistant Professor**, who served as the anchor for the event. He welcomed the dignitaries, faculty members, and students and introduced the importance of medical billing in the modern healthcare system.

The gathering was addressed by **Dr. Mahendra C. Gunde, Principal, Tulaskar College of Pharmacy**, who emphasized the increasing demand for skilled professionals in healthcare administration and encouraged students to develop industry-oriented skills to expand their career opportunities beyond traditional pharmacy practice.

The expert session was delivered by **Mr. Karan K. Shende, Credentialing Specialist/CRM**, and **Mr. Pravin Kumar Singh, Client Relations Expert**, from **First Insight Corporation**. The speakers provided comprehensive insights into the fundamentals of medical billing, healthcare revenue cycle management, patient registration, insurance verification, medical coding basics (**ICD, CPT and HCPCS**), claim submission, payment posting, denial management, quality assurance, compliance, and professional ethics. They also discussed communication skills, client relationship management, interview preparation, and career prospects in healthcare BPOs, hospitals, insurance companies, and multinational organizations. Real-time industry examples and practical experiences made the session highly informative and engaging.

An interactive question-and-answer session was conducted, during which students enthusiastically participated by raising queries regarding medical billing software, certification courses, job opportunities, required skills, and career growth in the healthcare sector. The resource persons addressed each query in detail and motivated students to pursue professional development in this rapidly growing field.

The programme concluded with a heartfelt **Vote of Thanks** by **Ms. Anju P. Tanna, Lecturer**, who expressed sincere gratitude to the distinguished resource persons for sharing their valuable expertise. She also thanked **Dr. Mahendra C. Gunde**, the management of Tulaskar College of Pharmacy, faculty members, non-teaching staff, and students for their active participation and cooperation in making the programme successful.

The expert lecture proved to be highly beneficial, providing students with practical knowledge of the medical billing process, current industry practices, and emerging employment opportunities. The programme successfully bridged the gap between academic learning and industry expectations, inspiring students to explore diverse career pathways in healthcare management and medical billing.
